Delivering Value to the Customer

About Us

The Management team at First Technology Capital, Inc. (FTC) has been providing equipment financing to businesses since 1981. Over the years, we've developed a keen understanding of the needs of our clients. Through collaboration and innovative solutions, we're able to establish long lasting relationships with our clients. We take time to listen, discuss various financing options available, and tailor clients' solutions that are right for them.

Rail Cars and Inlet Barges

What our Customers are Saying!

"FTC was very helpful, responsive, and quick to get things done. They took the time to explain and go over the details. I have referred FTC to my suppliers. I couldn't have had better service."
